

Innovate. Collaborate. **Operate.**

Providing acceleration services for entrepreneurs and start-ups.

Give us the spark, and we'll drive the rest! We are geared toward helping early stage entrepreneurs grow their concepts from ideation to execution. We offer a full suite of start-up services including strategic, financial, operational, marketing, and design planning and creation. We will help you build the framework to transition your idea into a viable and operational business.

Know Ideas provides everything you need to jump-start your business.

We've Got Your Back.

Our primary focus is on early stage start-ups and founders without much high-level experience.

We're Hands On.

We lend hands on involvement rather than financially motivated consulting services.

We're Committed.

We are committed to helping you get to the next step.

Products + Services

We provide everything you need to give your business the jump start it needs. Know Ideas will custom tailor a solution that fits your specific needs from any of the following services

Strategy + Planning

Most people don't plan to fail, they fail to plan. We offer full strategic guidance – assessing your idea, offering expert advice and feedback, refining and developing the concept and creating a business plan and strategy to accomplish your goals.

What you get: Business Plan, Executive Summary, Product Development and Ideation, Business and Financial Road Mapping, Go-to-Market Strategies, Planning and Corporate Strategy

Operations

So you have your idea, well now what? We will help you get things started!

What you get: Formation Filings, Website Registration, Operating Agreements, Office Space, Equipment/Purchasing/IT, Recruitment, Interviewing, and Structuring & Needs Analysis

Branding + Design

A brand is not just a logo, a website, or your business cards, it is an experience.

What you get: Logo Design, Website Creation, Business Cards, Brand Image, Brand Positioning, Graphic Design, Company Naming

Financial

Math? Leave it to us. The key to a successful financial department goes beyond getting the numbers right. Can you derive actionable insights and explain your results to your boss or investor?

What you get: Market Research & Validation, Competitive Analysis, Business Model Validation, Pricing Strategies, Financial and Accounting Statements, Capitalization Tables, Budget Analysis and Revenue Forecasting, Financial Modeling

Sales + Marketing

You found us, right. We know what we're doing to acquire customers.

What you get: SEO / SEM, Social Media Pages, Email Campaigns, Partnership Roadmap and Execution, Sales strategies and Templates, Press Releases, A La Carte Products

A La Carte Products

Don't want to get married? Take us on a date first. All of our products are available a la carte. Feel free to **reach out** for a free consultation on how to customize your service based on a price that is affordable.
