Jill Cuddire, *CEO & Creative Director*

When Jill founded Rose Creative Group in 2011, her vision was to create an independent agency that operates like a personal, in-house, advertising department. This was possible because of Jill’s powerful collaborations and high standards of service. That solid foundation enabled RCG to thrive and has led to an exciting period of organizational growth.

Pratt Institute was the catalyst that propelled Jill from the coast of Massachusetts to NYC. She credits Pratt with the direction that has led to 25+ years of design experience, with a well rounded résumé that includes advertising agencies, publishing titans, and media companies.
